Dear Major Zarwell:

Thank you for the kind of work that elicited the enclosed Letter of Commendation from General John A. Wickham, Jr., the U. S. Army Chief of Staff.

The slide presentation and videotape to which he refers are certainly creative products which have received plaudits from all audiences who have seen them. Major General Jimmy D. Ross has told me your "Proud and Ready" presentation received a standing ovation at Fort Eustis.

No doubt, the multi-media presentation and videotape you are producing for the Army Materiel Command will be as creative and evoke the same kind of response as your previous efforts.

Thank you for the job you have done and are continuing to do while assigned to this command. Keep up the good work.

A copy of this letter and the Letter of Commendation from General Wickham will be included in your official 201 file.

Sincerely,

A handwritten signature in blue ink, which appears to be "R. H. Thompson", is written over the typed name and title.

Richard H. Thompson  
General, U. S. Army  
Commander
