Dear Gene:

Thanks for your letter of June 13, 1987. You and Margaret have my best wishes for what I know will be continuing successes in your efforts, which will now be directed in the private sector. Your contributions while on active duty to the Army Reserve, the Office of Chief Army Reserve, and the Army were absolutely superb.

I would like to see your latest production. Please call my secretary, Mrs. Brenda Dent, 697-5253, to arrange a mutually convenient time sometime after the middle of July. Look forward to seeing you then.

Sincerely,

William R. Berkman  
Major General, USA
