SUBJECT: Letter of Appreciation

Commander
U. S. Army Materiel Command
5001 Eisenhower Avenue
Alexandria, VA 22333-0001

1. This is to express our sincere appreciation for the outstanding support provided by Lieutenant Colonel E. Robert Zarwell, Army Materiel Command Special Projects Officer, in developing the video "We Are Here." This video, paralleling the video "We Were There," depicts the contributions and sacrifices made by Army families throughout our history.
2. Lieutenant Colonel Zarwell's "can do" attitude and "make it happen" spirit resulted in a well-coordinated production that far exceeded our expectations. Limited time and budget did not hamper Lieutenant Colonel Zarwell's enthusiasm or achievements. He coordinated with federal and private agencies to ensure a professional and first rate product. Without his arduous efforts, the concept of the video would not yet be realized.
3. This video has been viewed by the leadership in both the chain of command and chain of concern and has been exceedingly well received. It is recognized as a heartwarming tribute to those families who consistently provide support and strength to the U. S. Army. The success of this project is attributed to the joint efforts of Headquarters, Army Materiel Command, and Headquarters, Department of the Army, spearheaded by Lieutenant Colonel Zarwell.
